Sir:

STATEMENT OF THE SUBSTANCE OF THE INTERVIEW

An Interview Summary Form accompanied the Notice of Allowance dated January 6, 2006. During the Telephone Interview reflected by that Interview Summary Form, the applicant did not agree that any claims were unpatentable, but agreed to the Examiner's Amendment in order to expedite prosecution (without prejudice to file a continuation or divisional application). In particular, the Examiner's Amendment was made without prejudice for the applicant to file a continuation application seeking coverage on previous claims 46-63.

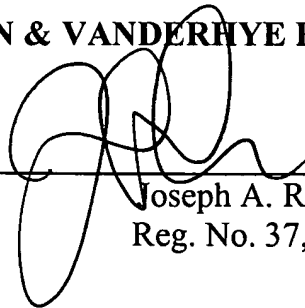

Please advise if you should have any questions with regard to the above.
